## CAPO 2

[Intro]

E E7  
When there's nowhere else to run

Is there room for one more son?

One more son?  
C#m  
If you can hold on,  
A E  
If you can hold on, hold on.

[Verse]

E  
I want to stand up, I want to let go  
A  
You know you know - no, you don't, you don't.  
E  
I want to shine on in the hearts of men.  
I want a meaning from the back of my broken hand  
E  
Another headaches, another heart breaks.

I'm so much older than I can take. <sup>A</sup>

And my affection, well it comes and goes. <sup>E</sup>

I need direction to perfection, no no no no

Help me out, yeah

You know you gotta help me out, yeah

Oh don't you put me on the back burner, <sup>A</sup>

<sup>E</sup>  
You know you gotta help me out, yeah.

[Verse]

<sup>E</sup>  
And when there's nowhere else to run

<sup>A</sup>  
Is there room for one more son?

These changes ain't changing me,

The cold-hearted boy I used to be.

You know you gotta help me out, yeah

You're gonna bring yourself down, yeah

[Bridge]

I got soul, but I'm not a soldier

I got soul, but I'm not a soldier

E

I got soul, but I'm not a soldier (2x)

I got soul, but I'm not a soldier

I got soul, but I'm not a soldier

[Chorus]

Yeah, you know you gotta help me out, yeah

Oh don't you put me on the back burner  
You know you gotta help me out, yeah  
You're gonna bring yourself down, yeah  
You're gonna bring yourself down, yeah  
Oh don't you put me on the back burner,  
You're gonna bring yourself down

[Outro]

C#m F#m A  
Over and in, last call for sin.  
While everyone's lost, the battle is won  
With all these things that I've done.  
With all these things that I've done.  
If you can hold on, if you can hold on...
