Smithereens

[Intro]

G# G# C# E D#m
G# C#

[Verse 1]

E D#m G#
I used to travel in the shadows
C# E D#m G# C#
And I never found the nerve to try and walk up to you
E D#m G# C# E D#m
But now I am a man and I know that there's no time to waste
G# C#
There's too much to lose
E D#m G# C# E D#m
Girl, you say anything at all, and you know that you can call
G# C#
And I'll be right there for you
E D#m G# C# E D#m
First love, heartbreak, tough luck, big mistake
G# C# E D#m
What else can you do

[Chorus]

F# G#
I'll say anything you want to hear
F# C# G#
I'll see everything through
F# G#
I'll do anything I have to do
E D#m F# C# G# C#
Just to win the love of a girl like you

[Bridge]

E D#m G# C#

A girl like you

[Verse 2]

E D#m G#

People talk and people stare

C# E D#m

Tell them I don't really care

G# C#

This is the place I should be

E D#m G#

And if they think it's really strange

C# E D#m G# C#

For a girl like you to be in love with someone like me

E D#m G# C#

I wanna tell them all to go to hell

E D#m G# C#

That we're doing very well without them you see

E D#m G# C#

That's just the way it is and they will see

E D#m G# C# E D#m

I am yours and you are mine the way it should be

[Chorus]

F# G#

I'll say anything you want to hear

F# C# G#

I'll see everything through

F# G#

I'll do anything I have to do

E D#m F# C# G# C#

Just to win the love of a girl like you

Now if I seem a little wild

[Verse 3]

There's no holding back
I'm trying to get a message to you
I won't take anything from anyone
I won't walk and I won't run, I believe in you
London, Washington, anywhere you are I'll run

G# C#

Together we'll be

E D#m G# C# E

Inside, outside, got my pride

D#m G# C# E D#m

I won't let him take you from me

[Chorus]

F# G#

I'll say anything you want to hear

F# C# G#

I'll see everything through

I'll do anything I have to do

A girl like you

I'll say anything

G# C#

I'll take anything

E D#m
