

Big City Nights
The Scorpions

[Intro]

Am F G Am
F G Am F
G Am F G

[Verse 1]

Am F C D
When the daylight is falling down into the night
Am F C E
And the sharks try to cut a big piece out of life
Am F C D
It feels alright to go out to catch an outrageous thrill
Am F C
But it's more like spinning wheels of fortune
E Am
Which never stand still

[Chorus]

F G
Big city, big city nights
Am
You keep me burning
F G
Big city, big city nights

[Verse 2]

Am F C D
When the sunlight is rising up in my eyes

Am F C E
And the long night has left me back at somebody's side
Am F C D
It feels alright for a long sweet minute like hours before
Am F C
But it's more like looking out for something
E Am
I can't find anymore

[Chorus]

F G
Big city, big city nights
Am
You keep me burning
F G
Big city, big city nights
Am
Always yearning
F G
Big city, big city nights
Am
You keep me burning\
F G E
Big city, big city nights

[Bridge]

G
There is no dream
C Bm E
That you can't make true, if you're looking for love
G
But there's no girl

Who's burning the ice away from my heart

Maybe tonight!

[Solo]

G Am F G
Am F C D
Am F C E
Am F C D
Am F C E
Am

[Chorus]

Big city, big city nights

You keep me burning

Big city, big city nights

Always yearning

Big city, big city nights

You keep me burning

Big city, big city nights

Always yearning

Big city, big city nights

You keep me burning

F **G**

Big city, big city nights

Am

Always yearning

F **G**

Big city, big city nights

Am

You keep me burning

F **G**

Big city, big city nights

Always yearning
