

Edge of Seventeen
Stevie Nicks

[Chorus]

Just like the white winged dove sings a song sounds like she's singin'
Ooh Ooh Ooh

Just like the white winged dove sings a song sounds like she's singin'
Ooh baby Ooh said Ooh

[Verse]

And the days go by like a strand in the wind
In the web that is my own I begin again
Said to my friend, Baby, nothing else mattered
He was no more than a baby then
Well he seemed broken-hearted
Something within him

[Chorus]

But the moment that I first laid eyes on him
All alone on the edge of seventeen

[Chorus]

Just like the white winged dove sings a song sounds like she's singin'
Ooh baby Ooh said Ooh
Just like the white winged dove sings a song sounds like she's singin'
Ooh baby Ooh said Ooh

[Verse]

Well I went today maybe I will go again tomorrow
And the music there well it was hauntingly familiar
When I see you doin what I try to do for me
With the words from a poet and a voice from a choir
And a melody, nothin else mattered

[Chorus]

Just like the white winged dove sings a song sounds like she's singin'
Ooh baby Ooh said Ooh
Just like the white winged dove sings a song sounds like she's singin'
Ooh baby Ooh said Ooh

[Bridge]

The clouds never expect it when it rains but the sea changes color
But the sea does not change
So with the slow sad graceful glow of age
I went forth with an age old desire to please
On the edge of seventeen
Ooh.....

[Chorus]

Just like the white winged dove sings a song sounds like she's singin'
Ooh baby Ooh said Ooh
Just like the white winged dove sings a song sounds like she's singin'

Em

Ooh baby Ooh said Ooh

[Verse]

Well then suddenly there was noone left standin in the hallway
Yeah Yeah, in a flood of tears that no one really ever heard fall at all
Well I went searchin for an answer up the stairs and down the hall
Not to find an answer but just to hear the call of a nightbird
Singin come away, come away, come away

[Chorus]

Just like the white winged dove sings a song sounds like she's singin'
Ooh baby Ooh said Ooh
Just like the white winged dove sings a song sounds like she's singin'
Ooh baby Ooh said Ooh

[Bridge]

Well I hear you in the mornin' and I hear you at nightfall
And sometimes to be near you is to be unable to hear you my love
Im a few years older than you my love

[Chorus]

Just like the white winged dove sings a song sounds like she's singin'
Ooh baby Ooh said Ooh

(fade out while repeating chorus)
