I Want You
Savage Garden

[Intro]

Bb C G
G   C

[Verse 1]

G
Anytime I need to see your face, I just close my eyes,

and I am taken to a place where your crystal mind
C
and magenta feelings take up shelter in the

base of my spine, sweet like a chick of cherry cola.
G
I don't need to try to explain. I just hold on tight,

and if it happens again, I might move so slightly
C
to the arms and the lips and the face of the human

cannon-ball that I need to. I want to.

[Pre-Chorus]

D   **C**
Come stand a little bit closer. Breathe in and get a bit higher

D   **C**
You'll never know what hit you when I get to you...

[Chorus]

Bb   **C**   **G**
Ooh, I want you. I don't know if I need you, but
Bb   **C**   **G**
ooh, I'd die to find out.
Bb   **C**   **G**
Ooh, I want you. I don't know if I need you, but
Bb   **C**   **G**
ooh, I would die to find out.

[Verse 2]

G
I'm the kind of person who endorses a deep commitment.

Getting comfy, getting perfect is what I live for.
C
But a look and then the smell of perfume, it's like I'm

down on the floor and I don't know what I'm in for.
G
Conversation, there's a time and place in the interaction

of a lover, and I make it the time I'm talking,

C
using symbols, using words can be likened to a

deep sea diver who is swimming with a raincoat.

[Pre-Chorus]

D   **C**
Come stand a little bit closer. Breathe in and get a bit higher
D   **C**
You'll never know what hit you when I get to you...

[Chorus]

Bb   **C**   **G**
Ooh, I want you. I don't know if I need you, but
Bb   **C**   **G**
ooh, I'd die to find out.
