

Twilight Zone  
Golden Earring

[Intro]

**Bm Em F#**

[Verse 1]

**Bm Bm**

It's two A.M.

Fear is gone

**Em**

I'm sitting here waiting

The Gun still warm

**F#**

**Bm**

Maybe my connection is tired of taking chances

Yeah, there's a storm on the loose

Sirens in my head

**Em**

Wrapped up in silence, all circuits are dead

**F#**

**Bm**

Cannot decode, my whole life spins into a frenzy

[Chorus]

**Bm**

Help, I'm steppin' into the twilight zone

**A**

Place is a madhouse, feels like being cloned

**G**

**F#**

My beacon's been moved under moon and star

Where am I to go now that I've gone too far?

**Bm**

Help, I'm steppin' into the twilight zone

**A**

Place is a madhouse, feels like being cloned

**G**

My beacon's been moved under moon and star

F#

Where am I to go now that I've gone too far?

[Post-Chorus]

G Em

So you will come to know

Bm

When the bullet hits the bone

G Em

So you will come to know

Bm

When the bullet hits the bone

[Verse 2]

Bm

I'm fallin' down a spiral, destination unknown

Em

Double crossed messenger, all alone

F#

Can't get no connection, can't get through

Bm

Where are you?

Well the night weighs heavy on his guilty mind

Em

This far from the borderline

F#

When the hitman comes

Bm

He knows damn well he has been cheated

And he says

[Chorus]

Bm

Help, I'm steppin' into the twilight zone

A

Place is a madhouse, feels like being cloned

G

My beacon's been moved under moon and star
