The company's true and the wenches are pretty

If you're looking for crewmates, you'll sure find 'em there  
**Ab** **G**  
Cutthroats and lowlives and worse I should dare  
**Cm** **Bb**  
O' Nancy don't care who comes to her inn  
**Ab** **G**  
It's a den of debauchery violence and sin
